

## My Blueprint Instructions

My Blueprint is an online tool that students will use to build portfolios of learning and fulfill the Career Education 8-10 courses. These portfolios will provide collections of learning and reflections that students will use to complete their Grade 12 Capstone Project for Career Life Education 12.

My Blueprint collects some student information, parent consent is required to activate an account. Parents provide consent through Parent Connect. Once consent is granted, new accounts are created automatically each night.

**If you have not already given consent on Parent Connect, please follow the following steps:  
If you have completed this, please skip to the section below.**

1. If you have not already done so, please log onto Parent Connect. [www.cimsweb.deltasd.bc.ca](http://www.cimsweb.deltasd.bc.ca)

2. Click on My BluePrint Sign In

Log in Register

TECHNOLOGY @ Delta LEARNS

MyBlueprint  
Online Careers and Portfolio tool for grades 6-12.

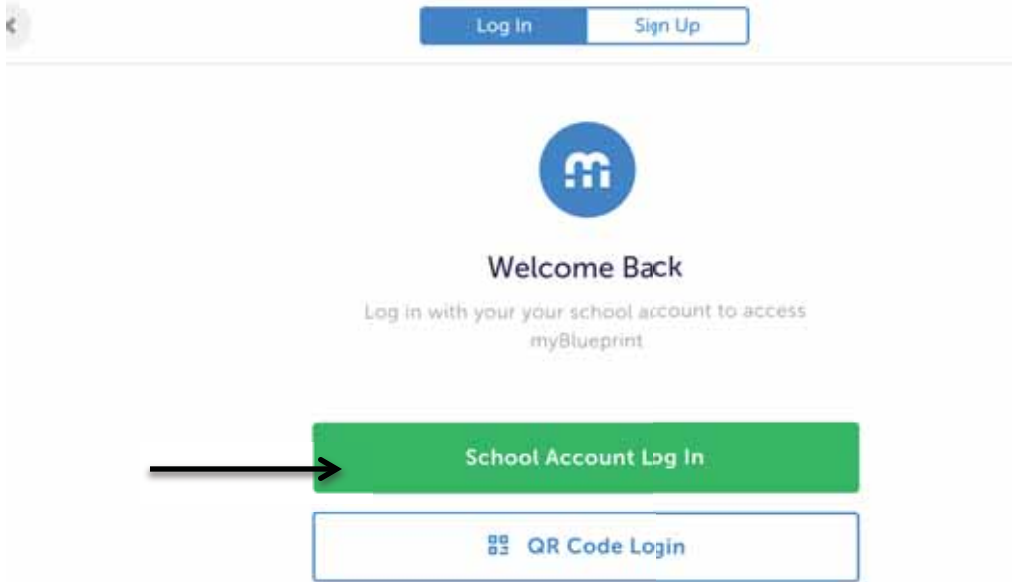

Google Apps For Education  
Collection of online tools for productivity, storage and collaboration.

Read&Write  
Read&Write for Google Chrome provides students and educators with a wide variety of literacy support.

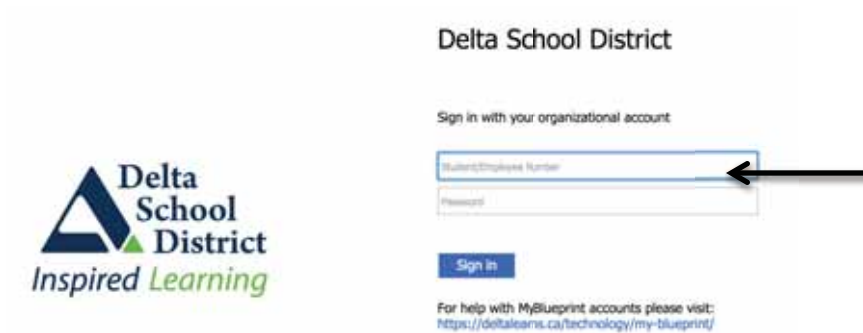

MyBluePrint Sign in

Google Sign in

3. This will take you to the SD37 Blueprint log in page  
Please select "School Account Login"

Students will next be prompted to enter their student number and password (this is the same as the way they log onto any school computer).

Once students log on, they will find themselves on the My Blueprint home screen. Students are welcome to explore, take surveys, and discover classes that they are enrolled in. Students are welcome to complete any activities in those classes.
