*Mission Statement: Sands is an inclusive and nurturing community which challenges individuals to strive for educational excellence, as well as personal responsibility, integrity and growth.*

*School Inquiry Question: Will a school wide focus on fostering staff and student health and wellness have a positive effect on well-being, engagement, and achievement?*

*Acknowledging the traditional territory of the Tsawwassen First Nation and Musqueam Indian Band and all of the Hun'qumi'num speaking peoples who have been stewards of this land since time immemorial on whose land we live, learn and play. We would also like to offer our respect to all the elders who have gone before us, to the elders and First Nation people who are with us today and to all Canadians who are on the journey of Reconciliation.*

Dear Sands Secondary students and families,

This time of year is always special in the lead up to the Winter Break. Our students in this 2-week period conduct a variety of initiatives to help others who need support in our community. Yet again, our students have developed initiatives that range from collecting cans to selling baked goods. These acts of kindness are fantastic learning experiences for our students in developing compassionate citizens that will contribute to society in a positive way. I am so proud of these students for their time and effort to make the lives of others better in some way.

As adults, students are observing our actions regularly and we must model for them this idea of compassion for others. I have learned that Sands Secondary has a tradition of creating hampers annually at this time of the school year to distribute to families in need. With our recent economic experiences, we are seeing more need from Sands Secondary families and families in the greater community in their attempts to support their families. As a result, we are asking our community to help with our hampers as the demand is overwhelming and we want to provide an adequate hamper to support these families over a 2-week period. The best way to help this endeavour is by donating money either by cash or cheque (made payable to Sands Secondary). If your family is interested in helping, please connect with our Accountant, Shannon Denman, by email at [sdenman@deltaschools.ca](mailto:sdenman@deltaschools.ca) or by phone at 604-594-3474. Any donation will help. Thank you all for considering to help make the lives of some our Sands Secondary families special this holiday season.

## Supporting Families in Financial Need

We realize that sometimes families struggle financially. The BC Government has created a Student and Family Affordability Fund and will be providing schools funds for this school year only to help students and families with school fees, school supplies, food security, and other supports. Please contact your child's counsellor or administrator if your family requires financial support. Discretion is paramount.

## **Sands Secondary Yearbook**

The Sands Secondary Yearbook team is developing the Yearbook for this school year for our school community to capture students in a variety of school events and to create a keepsake of memories for all students. The Yearbook team would like to encourage our community to follow their Instagram account, Instagram sandsyearbook, to view up-to-date photos of what they have captured so far.

We encourage all students to purchase one of these long-lasting memory keepsakes of your time at Sands Secondary. The team is excited about how the Yearbook is progressing so far and are confident that this year's Yearbook will meet and exceed the standards set by previous award-winning Sands Yearbooks. By purchasing early, students will pay a discounted price of \$55.00 up until the Winter Break. After the Winter Break, the price for the Yearbook will increase to \$60.00. Students and families can purchase a Yearbook through Parent Connect or at the Main Office.

## **COVID-19 Safety Guidelines**

With the risk of COVID-19 infection remaining high in B.C., it is critical that we each do our part to help reduce transmission by continuing to follow the latest health and safety protocols for K-12 schools: Provincial Communicable Disease Guidelines for K-12 School Settings and BC Centre for Disease Control's Public Health Communicable Disease Guidance for K-12 Schools.

<https://www2.gov.bc.ca/assets/gov/education/administration/kindergarten-to-grade-12/safe-caring-orderly/k-12-covid-19-health-safety-guidelines.pdf>

The best way to keep COVID out of our schools is to stay home if you are showing signs of illness. We strongly encourage everyone to complete a daily health check prior to attending school.

We also encourage everyone to:

- Get vaccinated. Vaccination protects from serious illness due to COVID-19 and is the most effective way to reduce the impact of COVID-19 on our communities.
- Wash and sanitize your hands often.
- Practice good respiratory etiquette.
- Respect the personal space of others.
- Respect the choice of staff and students who wear a non-medical mask or face covering throughout the day or for certain activities.

If we can follow these guidelines regularly, then we will keep our school community safe from spreading COVID-19.

## **Counselling and Youth Care Worker:**

There are many supports we have for students at Sands Secondary and at times students may need social/emotional support, help with scheduling, career planning and other counselling services. The Sands Secondary Student Services team is always ready and willing to help. We encourage our families to connect with our Counselling Team on any issues related to their child(ren). Our Counselling team is an excellent resource to help make your child's experience at Sands Secondary positive. Please connect with the Counsellor by calling the school at 604-594-3474 or emailing them (see below).

## **Mental Wellness Resources**

As we move through our school year, many students may be struggling with social and emotional issues. As a school, we are investigating how a coordinated approach on mental health can have a positive impact on the student's experience at Sands Secondary. As a staff, we will be learning about the Teen Mental Health Curriculum created by Dr. Stan Kucher, Professor at Dalhousie University. Some of our staff are already trained in this curriculum and will be offering training to our entire staff.

Part of Dr. Kucher's curriculum includes a Parent Guide. Please see the link below to access the resource, "How to Parent My Teen".

Sands Secondary offers many opportunities to support students in getting extra help with their course work. Another student opportunity is the Homework Club that takes place every Wednesday after school in the Library from 3:00pm-4:00pm. Ms. Lee and Ms. Papakosta sponsor the Homework Club and have assembled a group of dedicated and knowledgeable Peer Mentors to help students. We encourage all students to use this school support.

## Sands Secondary Career and Post-Secondary Centre
