Mission Statement: Sands is an inclusive and nurturing community which challenges individuals to strive for educational excellence, as well as personal responsibility, integrity and growth.

School Inquiry Question: Will a school wide focus on fostering staff and student health and wellness have a positive effect on well-being, engagement, and achievement?

Acknowledging the traditional territory of the Tsawwassen First Nation and Musqueam Indian Band and all of the Hun'qumi'num speaking peoples who have been stewards of this land since time immemorial on whose land we live, learn and play. We would also like to offer our respect to all the elders who have gone before us, to the elders and First Nation people who are with us today and to all Canadians who are on the journey of Reconciliation.

Dear Sands Secondary students and families,

This past week featured moments of excellence by our students. Our Senior Boys Soccer team participated in the AA Provincial Championship where they placed 9th in the province. The team played extremely well over the course of the tournament and represented Sands Secondary in an honourable way. Congratulations to Mr. Serres and Mr. Fahrman for their time and efforts for guiding our students to a successful season.

Last night, the Sands Secondary Concert Band provided our community with a joyful evening of music. The band students performed wonderfully and were impressive with how they have connected their individual talents together to create beautiful music. It is always inspiring to see how our students can come together over a short period of time and produce such a magical evening. Thank you to Ms. Tseng, Music Teacher, for her commitment to our students to get the very best from them. Thank you to all families and students for attending last night's concert.

With the news media reporting increased incidents of violent crime, it is understandable that some families may be concerned. The Delta School District has a strong working relationship with Delta Police and other community partners working in prevention programs with youth both in our schools and the wider community. I encourage families to open lines of communication with their children and reach out to school counsellors or other trusted adults if they have anything they need to talk about. I also encourage you to check out the parent resources available on the school district website (<https://www.deltasd.bc.ca/resources/parent-information-brochures/>). They cover a number of topics and provide access to helpful materials from partners such as ERASE (Expect Respect & A Safe Education), Kelty Mental Health (<https://keltymentalhealth.ca/>) and Safer Schools Together (<https://saferschoolstogether.com/>).

Please contact your child's counsellor or administrator if your family requires financial support. Discretion is paramount.

COVID-19 Safety Guidelines

With the risk of COVID-19 infection remaining high in B.C., it is critical that we each do our part to help reduce transmission by continuing to follow the latest health and safety protocols for K-12 schools: Provincial Communicable Disease Guidelines for K-12 School Settings and BC Centre for Disease Control's Public Health Communicable Disease Guidance for K-12 Schools.

<https://www2.gov.bc.ca/assets/gov/education/administration/kindergarten-to-grade-12/safe-caring-orderly/k-12-covid-19-health-safety-guidelines.pdf>

The best way to keep COVID out of our schools is to stay home if you are showing signs of illness. We strongly encourage everyone to complete a daily health check prior to attending school.

We also encourage everyone to:

- Get vaccinated. Vaccination protects from serious illness due to COVID-19 and is the most effective way to reduce the impact of COVID-19 on our communities.
- Wash and sanitize your hands often.
- Practice good respiratory etiquette.
- Respect the personal space of others.
- Respect the choice of staff and students who wear a non-medical mask or face covering throughout the day or for certain activities.

If we can follow these guidelines regularly, then we will keep our school community safe from spreading COVID-19.

Counselling and Youth Care Worker:

There are many supports we have for students at Sands Secondary and at times students may need social/emotional support, help with scheduling, career planning and other counselling services. The Sands Secondary Student Services team is always ready and willing to help. We encourage our families to connect with our Counselling Team on any issues related to their child(ren). Our Counselling team is an excellent resource to help make your child's experience at Sands Secondary positive. Please connect with the Counsellor by calling the school at 604-594-3474 or emailing them (see below).

Mental Wellness Resources

As we move through our school year, many students may be struggling with social and emotional issues. As a school, we are investigating how a coordinated approach on mental health can have a positive impact on the student's experience at Sands Secondary. As a staff, we will be learning about the Teen Mental Health Curriculum created by Dr. Stan Kucher, Professor at Dalhousie University. Some of our staff are already trained in this curriculum and will be offering training to our entire staff.

Part of Dr. Kucher's curriculum includes a Parent Guide. Please see the link below to access the resource, "How to Parent My Teen".

Homework Club

Sands Secondary offers many opportunities to support students in getting extra help with their course work. Another student opportunity is the Homework Club that takes place every Wednesday after school in the Library from 3:00pm-4:00pm. Ms. Lee and Ms. Papakosta sponsor the Homework Club and have assembled a group of dedicated and knowledgeable Peer Mentors to help students. We encourage all students to use this school support.

Reporting Student Absences

Please phone the school at **604-594-3474** or email sands.sec@deltaschools.ca to report a student absence. Students who need to go home due to illness or for other reasons should come to the office to contact a parent/guardian. Office staff will speak with a parent/guardian before students are given permission to go home. If appointments are scheduled during school hours, please send a note with your student. Parents should regularly monitor their student's attendance using Parent Connect.

Sands Secondary Career and Post-Secondary Centre

The Sands Career and Post-Secondary Centre is available for students who have questions about post-secondary options and scholarship opportunities. Our Career and Post-Secondary Advisor, Ms. J Sansregret, has provided a great deal of information for students and families on her website at <https://sandscarecentre.weebly.com/>. We encourage grade 12 students and their families to visit the site often and subscribe to the email list for the most up to date information. Ms. Sansregret's office is located in the Counselling Suite and she can be

contacted by email at jsansregret@deltalearns.ca to answer questions or book an appointment. Students can drop-in, but an appointment is recommended.

If you require support or are seeking answers, please contact teachers, counsellors, administrators, or the Main Office. We are here to help families and students.

Have a wonderful weekend.
